**WELCOME TO THE 97TH WYOMING  
STATE RAM SALE!**

# WELCOME

97

*From the WWGA President  
Gwen Geis*

**Y** The Wyoming Wool Growers  
**E** Association, our board, our sponsors,  
**A** and I personally, would like to welcome  
you to what has historically been one  
of the top-tier ram sales to be held  
anywhere in this country.

**R** The breeders list includes long time  
**S** returning stalwarts as well as new  
and building producers. Whether you  
are looking for rams from historical  
genetic lines or wanting to introduce  
**A** some new blood into your flock, we  
think that you will find something to  
fit your needs at this year's sale.

**L** Consistency and uniformity have  
**E** been the trademark of this sale, and  
we are excited to say that this sale  
**G** will follow that line.

**A** Please take the time to look through  
**C** the catalog, not only for the  
consignments but also for  
**y** information about all the sponsors  
and people and businesses that make  
this sale the success that it is. The  
sale might be a 2-day event, but it is  
way more than that and these

**WYOMING WOOL  
GROWERS ASSOCIATION**  
*The Best in the West*  
**STATE RAM SALE**

consignors and sponsors are what make it happen.

We hope that you as a buyer will join us the evening before the sale to review the offering, meet the consignors and sponsors and enjoy supper with us to kick off this event.

With the new administration in Washington there are lot of unanswered questions about what the markets for our wool and lambs are going to be like this coming year. It is just another of the uncertainties that we can't control but will deal with and continue to produce our amazing product for people all over the world.

May God bless you, your family and your operation in the challenges you will face this year.

Thanks for looking!

Gwen Geis  
Wyoming Wool Growers President

*A few words from your  
Executive Director  
Alison Crane, Ph.D.*

**ON BEHALF OF THE WYOMING WOOL GROWERS,  
THANK YOU FOR YOUR INTEREST IN OUR 97TH  
ANNUAL WYOMING STATE RAM SALE! YOU ARE COR-  
DIALY INVITED TO DOUGLAS ON SEPTEMBER 9TH  
TO VIEW, 'THE BEST IN THE WEST'!**

We are excited to show you some of the best white and black bucks in the country that are sure to add pounds and profit to your bottom line! Be sure to check out the New Consignors list on page 45 for more information.

We hope you all will join us for the festivities surrounding the 2025 WY State Ram Sale which you will find more details on throughout the catalog. We welcome you to take part in these wonderful programs!

The WWGA is excited to offer a donated natural colored ewe from the Camino Family to start the bidding on September 9th.

Be sure to follow us on facebook and instagram (@wyomingwoolgrowers) to see our consignor spotlights and stay up to date on the industry. If you would like to receive our newsletter, please consider a membership with the WWGA. Feel free to contact me with any concerns or inquiries concerning the WWGA. We hope you enjoy and find some great bucks at this 97th Wyoming State Ram Sale!

See you at the sale and welcome to the Cowboy State!

## PROCEDURES FOR "BUYERS CHOICE" PENS

- Each consignor will be allowed to designate THREE pens of TWO or THREE rams as a "Buyers Choice -- AB or ABC" pen.
- Rams from the "Buyers Choice" pen will be "A" or "B" for AB pens or "A", "B", "C" for ABC pens.
- When the lot is brought into the sale ring, the auctioneer will announce this is a "Buyers Choice-- AB or ABC pen." Bidding begins!
- When the highest bid is achieved and the auctioneer declares "SOLD" on the first round of bidding, the winning bidder has the option of taking one, two, or all of the rams in the lot at that price (per head). If the buyer does not select all of the rams in the lot, then bidding is re-opened. The next successful bidder takes ALL of the remaining rams.
- Any questions or disputes will be settled by the auctioneer.

**Thank you for coming!**

# A Little About the WY Wool Growers Association

## WHAT IS THE WWGA?

The Wyoming Wool Growers Association (WWGA) was formed more than 100 years ago by wool growers who wanted to provide a voice for producers. Today, the WWGA is one of the foremost agricultural organizations in the state and garners respect and admiration at a national level.

We work to enhance and protect the lamb and wool industries in Wyoming while preserving Wyoming's western lifestyle and our industries rich contribution to it.

Producers are busy, so we serve as the watchman for those livestock producers who may not have the time or resources to follow many of the issues facing the industry. We provide our members with information on:

- Education & Research Developments
- Legislative & Regulatory Issues
- Marketing & Promotion Opportunities
- Ways to Protect & Enhance the
- Environment and Wyoming's Renewable Natural Resource Base

## MEMBERSHIP

Our members are the foundation of the WWGA. Membership gives strength to the Association and to Wyoming's sheep industry. Anyone engaged in the production of sheep, wool, goats, or livestock (directly or indirectly) is eligible for membership in the Association upon payment of the prescribed dues. Membership is also available to any person or entity committed to supporting the purposes and objectives of the Association. Our priority is good communication and interaction with our members. Members receive a monthly update containing news of the Association, industry activities, and state/federal issues of importance to sheep producers. **Visit the website, [ww.wyowool.com](http://ww.wyowool.com), Facebook, and Instagram pages which are updated regularly and are great ways to keep up with what's going on- don't forget to follow us!** Other member benefits include participation in WWGA activities, ability to consign to sales, advertise, access to archived meeting materials and newsletters on the website.

## **WWGA Producer Meetings**

The WWGA provides many opportunities for our members and other producers to meet, network and take part in educational programs, such as:

- Annual Membership Meeting (July)
- Wyoming Sheep & Wool Festival (July)
- Mid-Year Meeting (November)
- Educational Workshops (throughout year)
- West Central States Wool Growers Convention (in conjunction with Utah, Idaho, & Nevada- November)
- Educational Webinars (throughout year)

## 2025 WYOMING STATE RAM SALE RULES

### 1. GENERAL RULES

1.1 ALL CONSIGNORS MUST BE ACTIVE MEMBERS OF THE WYOMING WOOL GROWERS ASSOCIATION WITH DUES FULLY PAID. The Active Membership fee is \$150.00.

1.2 All sheep must be bred and raised by Consignor.

1.3 THE WYOMING WOOL GROWERS ASSOCIATION reserves the right to reject any or all entries and the entry fee will be returned. The Association also reserves the right to limit the number of entries from the Consignor.

1.4 The WWGA disclaims liability for any injury to any person or property resulting from any cause, whatsoever, occurring on or about the sale grounds or premises, or as a result of the sale.

1.5 All sheep on the grounds are held at Consignor's risk until sold. Ownership changes when the sheep are sold in the ring. Rams are held at purchasers risk thereafter.

1.6 Beginning in 2021, when considering a consignor's requests for consignment to the sale, the Ram Sale Committee will evaluate based on the consignors' history. The Ram Sale Committee will utilize historical information to determine eligibility for the Wyoming State Ram Sale upon consignment requests each year. Consignment or consignment increases can be altered by the Ram Sale Committee for the current year's sale and the Ram Sale Committee, at its discretion, may cut or reject the consignor's request for consignment.

1.7 Except in the instance of Certified Rams (see rule 3.2), all consignors are limited to no more than three pens consisting of a single ram.

(a) New consignors must consign at least 1 head and no more than 5 head per breed. Non-consignors from the previous year are considered new consignors.

(b) Each consignor will be allowed to designate THREE pens of TWO or THREE rams as a "Buyers Choice - AB or ABC."

1.8 No Consignor can consign more than 30 head of range rams.

1.9 Rams must be shorn in the same year as the sale. The shearing date must be declared upon entry.

1.10 The WWGA reserves the right to refuse to issue buyer numbers at their discretion.

### 2. ENTRY FEES & SALE PREPARATION

2.1 Entry fee will be \$10.00 (entry) plus \$5.00 for on-line sale video/broadcasting for a total entry

of \$15.00 per head for all rams. The entry fee is non-refundable and must be included at the time entries are received. The Association makes a charge of 10% (ten percent) of the sale price on all rams sold.

2.2 Upon signing of the entry blank, the Consignor of the sheep to the Wyoming State Ram Sale is agreeing to comply with the Rules and Terms of the sale. Willful violation of any of the Rules and Terms of the Sale, will automatically exclude the consignor from future Wyoming State Ram Sales. All warranties and guarantees are between buyer and seller.

2.3 In order to be cataloged, entries must be made with the Executive Director of Wyoming Wool Growers Association by July 1, 2025. Please include your advertising copy at the time of your entry submission in order to advertise in the Wyoming Livestock Roundup Special Wyoming State Ram Sale Edition.

2.4 All sheep consigned to the sale must be on the grounds no earlier than 8:00 a.m. on Sunday, September 7th, and no later than 8:00 a.m. on Monday, September 8th. Sifting of rams will begin promptly on Monday at 9:30 a.m. Consignors MUST have sheep in pens by 8:00 a.m. on Monday, September 8th. Every Consignor (or their designee or representative) MUST be present and in the pen with their animals during sifting and MUST help move and hold animals in order to assist the sifting committee. Failure to be present and assist may result in disqualification from the sale.

Consignors that come in before Sunday must notify the WWGA office at 307-265-5250 and will be charged \$40.00 for each day they arrive before Sunday.

### 3.CERTIFIED RAMS & RAM TEST RAMS

#### 3.1 Definitions:

a. Certified Ram: A certified ram is a ram that has completed a certified Ram test and has met the criteria of the American Rambouillet Association or the Wyoming Certified test for certification.

b. Certified Ram Criteria: Registered Rams enrolled in a certified Ram test are eligible for the Certified Ram Classification if they meet the following:

- Acceptable standards from the standpoint of body type, amount of body skin folds, freedom from anatomical weaknesses and wool defects, including extremely hairy britch or excessive amount of belly type wool,

- Minimum of 4.0 inch staple length,

- 9 pounds clean wool,

- A core wool grade of 23.77 or less,

- A maximum of 2.7 face cover score,

-Must have gained at least 0.55 pounds per day on test,

-Must have at least one "R" in their Genotype, and

-Must be in the top 30% on test.

**Index data on Certified White Face Rams must be submitted to the WWGA office on/or before August 15, 2025, or rams will not sell.**

3.2 Substituting Certified Rams is not permitted.

3.3 Certified Rams can be consigned as single pens.

A consignor is limited to TWO Certified Rams.

#### 4. SALE ORDER

4.1 Certified Rams will sell first.

a. Selling order for Certified Rams will be according to the American Rambouillet Association Index followed by eligible Wyoming Certified Rams, with the highest indexing rams selling first. White face rams falling in the top 30% on the Wyoming test are considered eligible.

4.2 White face range rams will follow the Certified Rams.

4.3 Beginning in 2020, black face Rams will sell based on a three year rotation starting with Suffolk|Hampshire Yearlings, Suffolk|Hampshire Lambs, Hampshire Yearlings, Hampshire Lambs, Suffolk Yearlings and Suffolk Lambs with the last breed in the sale selling first the following year. The breed selling last in the rotation will be offered first in the next year's sale and the remaining breeds will move down one spot in the rotation.

#### 5. TERMS OF SALE

5.1 TERMS OF THE SALE: CASH, CHECK OR CREDIT CARD. Standard creditcard fees will apply. Credit card fees will be posted at the sale clerks table on the day of the sale. Out-of-state buyers who have not purchased rams previously through the Wyoming State Ram Sale (WSRS) and have not established an acceptable record of sufficient funds being available for clearance of checks for purchases made at the WSRS **MUST** have a letter of credit from their bank PRIOR to being issued a buyers number. FOR MORE INFORMATION, PLEASE CONTACT THE WWGA OFFICE AT 307-265-5250 PRIOR TO SALE DAY.

5.2 Private sales before or during the auction are strictly forbidden. On private sales made after the auction closes and while sheep are on the grounds, the regular commission will be collected.

Consignors bringing extra rams to be sold outside the Sale will be denied the privilege of selling rams through future Association sales.

5.3 All purchases are to be settled on the day purchased, with the sale clerks on the grounds. Make all checks payable to the Wyoming Wool Growers Association. Any checks returned as “non-sufficient funds” are subject to a \$100.00 collection fee.

5.4 One bid shall not be considered an auction unless the Owner consents.

5.5 No Sale Fee: In the event a ram “no sales”, the consignor will pay a 10% fee on the reserve price provided to the sale clerk. If the reserve price is \$300.00 or less, a no sale fee of \$30.00 will be applied. Each consignor shall complete and sign a “consignor reserve” form and turn it into the sale clerk by 9 a.m., on sale day. Consignor reserve forms will be distributed during sifting and/or made available by the sale clerk the day before the sale. If a consignor “no sales” all of their sheep for two consecutive years they will be dropped from the sale the following year.

5.6 SETTLEMENT FOR ALL SHEEP SOLD THROUGH THE RING, OR PRIVATELY AFTER THE AUCTION HAS CLOSED, SHALL BE MADE WITH THE CLERK OF THE SALE.

## 6. POST AUCTION RULES

6.1 Load out can begin once all Rambouillets are sold. No unsupervised loading is allowed.

6.2 Buyers must remove all sheep by 6:00 p.m. the evening of the sale or arrange for facilities, care of the animals and a night watchman.

6.3 Any breed or breeder whose average price at last years’ sale was considerably lower than the sales average will be asked to cut consignment at the discretion of the Ram Sale Committee.

## 7. HEALTH REQUIREMENTS & RECOMMENDATIONS

7.1 ALL sheep MUST be identified with USDA/APHIS Scrapie identification tags. For the purposes of this sale, we will use the USDA/APHIS Scrapie tags for animal identification purposes. These USDA/APHIS Scrapie tag numbers must be included on any paperwork required to be submitted to Sale officials, including any lab results, such as Brucella Ovis (*B. Ovis*) test results, certificates of veterinary health inspection, etc.

7.2 All sheep consigned to the Wyoming State Ram Sale must comply with all regulations of the Wyoming Livestock Board. In particular, ALL sheep

must be accompanied by a certificate of veterinary health inspection issued within thirty (30) days prior to the sale. Certificates of Veterinary Inspection must include the USDA/APHIS scrapie ID tag numbers of the rams listed on the certificate.

7.3 The minimum scrotal circumference for yearling rams must be 34 cm and for lambs, 31 cm.

7.4 ALL rams consigned to this sale shall have tested negative for *B. Ovis* by means of a ELISA BLOOD TEST WITHIN 30 DAYS OF THE SALE or originate from a currently enrolled *B. Ovis* CERTIFIED-FREE FLOCK.

a. All consignments must be accompanied by a copy of the *B. Ovis* lab test results form or, in the case of animals from a *B. Ovis* certified free herd, proof of current compliance and active participation in the *B. Ovis* certified free program.

b. Scrapie tag numbers will serve as the official identification listed on the *B. Ovis* lab test results. Lab forms listing test results must show the date of the test and the USDA/APHIS Scrapie Identification Tag numbers of rams corresponding to entries and must be signed by the attending veterinarian.

c. We do not accept statements of *B. Ovis* status as simply noted on veterinary health certificates. The ELISA Blood Test is an accepted method of checking for epididymitis; however, it should not be considered to be a 100% guarantee of freedom from the disease.

7.5 All out-of-state sheep consigned to the sale must obtain an entry permit number (obtained from the Wyoming Livestock Board by calling 307-777-7515). The following statement must be included on the certificate of veterinary health inspection for out-of-state sheep: "the animals have been examined and are free of Foot Rot, and Scrapie is not known to have existed in the flock of origin within the past five (5) years." If Scrapie has been present in the flock of origin within the past five (5) years, the flock MUST be enrolled in a flock plan presented to and approved by the Wyoming State Veterinarian PRIOR to entry into Wyoming. Enrollment within such a flock plan MUST be noted on the veterinary health inspection form and a copy of the letter from the Wyoming State Veterinarian recognizing the flock plan must accompany the health inspection form. OUT-OF-STATE CONSIGNORS MUST COMPLY WITH STATE OF WYOMING REGULATIONS CONCERNING THE IMPORTATION OF BLACK-FACE SHEEP INTO WYOMING. WLSB Rules can be viewed at <https://rules.wyo.gov/Search.aspx?mode=1>

7.6 IT IS REQUIRED THAT ALL SHEEP BE TREATED FOR KEDS WITHIN 30 DAYS PRIOR TO THE SALE. If a Ked infestation is found, the ram(s) will be disqualified from the sale and must be removed from the premises.

7.7. It is RECOMMENDED that all rams receive a breeding soundness evaluation (BSE) of the semen for abnormalities.

7.8 The WWGA strongly believes that extreme docking (complete tail removal) is not an acceptable animal husbandry practice and should be eliminated. The WWGA has also stated its support for prohibitions against the allowance of animals which have been "short docked" at ALL exhibitions and sales throughout the country. It is strongly recommended that sheep be docked in such a manner that the tail is no shorter than one-half (1/2) inch in length, recognizing that most respected experts recommend a dock which results in at least a 1" tail.

7.9 THE STATE RAM SALE COMMITTEE RECOMMENDS AND ENCOURAGES THAT ALL RAMS CONSIGNED TO THE SALE BE ACCOMPANIED WITH A GENETIC TEST WHICH DESCRIBES THEIR RAMS GENETIC CHARACTERISTICS AT CODON 171. GENETIC TESTING OF CODON 171 HAS BEEN POSITIVELY SHOWN TO BE AN EXTREMELY EFFECTIVE INDICATOR OF ANIMAL RESISTANCE OR SUSCEPTIBILITY TO THE DISEASE, SCRAPIE.

7.10 THE SIFTING COMMITTEE WILL CHECK ALL SHEEP FOR SOUNDNESS AND FREEDOM FROM DISEASE AND WILL HAVE AUTHORITY TO REJECT ANY SHEEP THAT, IN THEIR ESTIMATION, ARE UNSOUND OR DISEASED OR DOES NOT MEET THE SHEARING QUALIFICATIONS. Selling or giving away sifted sheep during the sale or on the grounds will be prohibited and sifted sheep cannot be replaced for the sale. Standards of health and soundness are for the benefit of the seller and the buyer as well as the integrity of the sale.

7.11 Sifted rams must be removed from the barn immediately following the sifting.

Volunteers!

### **Central Performance Testing of Rams**

Identification of superior genetics that are of economic importance to the U.S. sheep industry has long been cited as a goal of high importance. Most industry analysts and experts agree, there are two primary areas that should be further investigated.

In general terms, these are:

- (1) feedlot efficiency and performance; and,
- (2) increased muscling & decreased fat cover of market animals.

The advent of value-based marketing and increased emphasis on carcass quality and tenderness have brought about a paradigm shift in genetic selection of most species of livestock.

In other livestock species, the use of “central performance tests” has become the norm for evaluating economic factors such as rate of gain, feed efficiency, and genetic growth characteristics of importance to the industry.

In 2001, the WWGA recognized the need for, and benefits derived from a Centralized Ram Performance Test (CRPT) focused on the specific needs of the value-added and retail segments of the lamb industry. After carefully evaluating the existing CRPTs, the WWGA collaborated with the UW Department of Animal Sciences to set about developing a new, industry driven, CRPT housed at the UW Animal Science Research facility (Laramie, WY).
