

WWGA Membership Meeting Information

Meeting Information

The WWGA Membership Business Meeting will be held immediately following the conclusion of the President's Banquet on Saturday, November 8th with an approximate start time of 2:15 pm.

Business Information

Members will nominate and vote on the next representative for our regional caucus at the national level. The states in our region rotate nomination duties and it is Wyoming's turn. We would like the membership to vote on this.

Officers and Alison will provide updates to the membership on 2026 events, business, and financials.

Please join us for the winter business meeting in Cody. This will replace the meeting that has been conducted alongside WSGA Winter Convention for the past 3 years.
