

Wyoming Wool Growers Association Lambing School 2026

Registration Form
March 21st, 2026

DATE: SATURDAY, MARCH 21, 2026

TIME: 9:30 am to 4:00 pm

LOCATION: KAYCEE, WY. Address and directions provided upon registration receipt.

Please join us in Kaycee, WY for a practical day of learning and networking. The target audience of the days are new/emerging sheep producers, but ALL are welcome to attend! The school will take place on farm with practical and hands-on experience at the center of the program. The ewes should be lambing, so we hope to give you a day of viewing, but as always, we cannot guarantee. We will also have a day of discussion from experienced shepherds on topics such as lambing issues, grafting, ewe & lamb health and nutrition, castration, docking, vaccination protocols for ewes and lambs, and a chat about lambing facilities.

MEALS: Lunch will be served as well as some snacks made available. Please bring water and any snacks you might need throughout the day though.

DRESS: Please dress adequately for the experience and the weather; please wear boots that you are okay with being disinfected out of respect for the host producer.

Deadlines & Limitations: Deadline for registration will be **March 2nd (or until the class is filled)**. We will have to limit the class to 35 students. Please register ASAP to secure your spot. Your fee will be returned if your spot is not secured. You will also be notified if someone cancels and a spot becomes available. If you must cancel, please let us know at least 5 days before the school.

CONTACT: Please call (307-265-5250 OR 205-743-8704) or email (alison@wyowool.com) Alison for more information or with any questions.

REGISTRATION: To register, please fill out the form below and mail in to the below address or fill out the online registration form at <https://www.wyowool.com/lambingschool2026>.
